The Selfish Giant

The giant has got a lovely garden. The children want to play in the garden, but the giant is selfish. "It's MY garden," he says. "I don't want children here." He builds a wall around the garden.

In the spring there are no flowers or birds in the giant's garden. It is winter all year. The giant isn't happy.

Then one day, the children find a hole in the wall. They go in and play. The giant hears children in his garden. There are birds and flowers, too.

The giant is happy because it is spring again. "This is your garden now, children," he says. The children are happy and the giant is not selfish now.

The Swiss Family Robinson is a novel by Johann David Wyss. It's a very exciting story. The main characters are a mother and father and their four sons, Fritz, Ernest, Jack and Franz. The family decides to travel to a new country to live. They travel on a ship with lots of other people, but there is a big storm. The ship sinks, but the family swim to an island. There aren't any other people on the island, so the family is alone.

They take things from the ship, such as clothes and tools, to help them start a new life. The family has lots of adventures on the island and they learn a lot of important lessons. They find out that the island has everything they need to survive. First, they use wood from the trees to build a house in a tree. When the weather is cold and wet, they move to a cave and make a home there.

They grow vegetables and fruit from seeds and they hunt animals for their meat. They use salt to keep their meat fresh for a long time, so they are never hungry. They cook food on a fire and they use plants to make paper and clothes. They learn a lot about nature and they enjoy their life on the island. One day, they have the chance to leave the island and go home to Switzerland, but they decide that the island is their home now. They are happy with their new life and they don't want to leave.

Families around the world

My name is Riko and I'm from Japan. I live with my parents, my two brothers and our grandparents. We all get up early every morning. After breakfast, my brothers feed our chickens and collect the eggs. Dad and Grandpa pick rice and vegetables in the garden and I help Mum and Grandma to water the flowers and plants. My brothers and I walk to school. We have lessons in the morning and then it's time for lunch. After lunch, we brush our teeth and then we go back to class. In the evening, my family cooks dinner together. All our food comes from our garden. We play games or watch TV after dinner. At bedtime, Mum helps us to get our mattresses out. We keep them in a cupboard during the day so that we have space to play in our rooms.

I'm Ivan and I'm from Russia. I live with my mum, my dad, my grandma and my sister. Our house is in a small village. Mum and Dad go to work every day, so Grandma looks after the house. Grandma makes my breakfast every morning. I usually have bread and tea with honey. Then I walk to school with my friend. We have lessons all morning, but when we need a break we stop working and do some exercises. Lessons finish at lunchtime, and I go home. I take my shoes off before I go into the house. We always wear slippers indoors. After lunch, I ride my bike and then I do my homework. When Dad comes home, he works in the garden. I usually help him. We grow vegetables and fruit. Dad makes bowls, boxes and furniture with wood. He's very clever. In the evenings, I read or watch TV. I go to bed at nine o'clock. I'm always very tired after my busy day.

1 Look at the picture. What is the wolf doing?

The wolf pups are hungry, but their mother can't find enough food. Soon, there is only one pup left. He drinks his mother's milk and slowly grows stronger. He is fierce, but he is playful, too. When his mother leaves the cave to look for food, he explores the cave, but he is afraid to go outside. However, as he grows older, he wants to find out what the world is like outside the cave. He learns to hide in the long grass or in the bushes. He learns to hunt and he catches small animals to eat. Other animals try to attack him, but he learns to fight. His mother is proud of him. She can see that he is becoming a great wolf.

One day, while the young wolf is exploring, he comes to a village. He sees a group of men and he is afraid. One of the men tries to pick him up. The pup growls and shows his sharp, white teeth. The men laugh.

"Look at those teeth," they say. "Let's call him White Fang."

Another man tries to pick White Fang up, but White Fang bites the man's hand. The man hits White Fang and White Fang cries. His mother hears him and comes to find him. When she sees the men, she lies down on the ground. She respects humans. A man decides to keep White Fang and his mother. At first, White Fang wants to escape. But the man feeds White Fang and gives him a dry place to sleep. When other dogs try to attack White Fang, the man chases them away.

"Men can protect me and care for me," White Fang thinks. "It is difficult to be a wolf, but it is easy to be a dog."

Flocke the polar bear

Nuremberg Zoo is a huge zoo in Germany. There are about 300 species of animals there. The zoo has got lots of special enclosures for gorillas, leopards and polar bears. The enclosures have got rocks, trees and pools for the animals. More than one million visitors come to the zoo every year, and they all want to meet Flocke.

Flocke is a polar bear. She is two years old. Her name is German and it means 'snowflake'. The keepers at Nuremberg zoo take baby polar bears away from their mothers and look after them because mother polar bears sometimes hurt their babies. Flocke spends a lot of time with her keepers, so she is very friendly. She has got a lot of fans because she is so beautiful and gentle.

Flocke is not a baby now, so her keepers want her to spend more time on her own. They want her to live with other bears instead of humans. Flocke is very happy in the polar bear enclosure at Nuremberg Zoo. She enjoys playing and swimming in her pool. She also loves eating sweet fruits. She likes grapes, melons, and pears, but bananas are her favourites.

The zoo has got a website about Flocke. They put news and photos on the website so that Flocke's fans can learn more about her. People can buy games, diaries, postcards with Flocke's picture on them. There are also DVDs about Flocke and soft toy polar bears. The money from all these Flocke items helps to protect animals around the world.

Some travellers arrived in a small village one day. They were tired and hungry, but they didn't have any food. They only had a large pot. The travellers asked the villagers for some food, but the villagers didn't trust the travellers and they didn't want to share their food.

The travellers were disappointed, but they had a plan. They filled their pot with water, dropped a large stone into it and put the pot on a fire in the village square. Then the travellers sat down around the fire and waited. Soon, a woman came to the square.

"What are you doing?" she asked. "We're making stone soup," said the travellers.

"It's very tasty, but we really need some herbs to put in it."

"I've got some herbs," said the woman. "Can you give us some of your herbs?" the travellers asked. "Then we will share our soup with you."

The woman took a small bunch of fresh herbs from her basket and dropped it into the pot. She sat with the travellers and they talked while they waited for the soup to cook. After a while, a man came to the square. "What are you doing?" he asked. "We're making stone soup," said the travellers. "It's delicious, but we really need some meat to put in it."

"I've got some meat," said the man. "Can you give us some of your meat?" the travellers asked. "Then we will share our soup with you." The man put some meat into the pot, then he sat with the travellers and the woman and they all talked while they waited for the soup to cook.

More villagers came to the square. They all added food to the pot. Soon, they were good friends. The pot was full of meat, potatoes and vegetables, and it smelt wonderful. The travellers and the villagers shared the soup and they all enjoyed a wonderful meal.

National dishes

Sarma

Sarma is a national dish of Bulgaria, but people make similar dishes in many other countries, such as Egypt, Greece, Turkey, Romania and Russia. The dish has different names in different countries. People in Egypt call it *mahshi* and people in Greece call it *dolmades*. To make the dish, people mix minced meat, rice, onions, salt, pepper and herbs together. They wrap the mixture in large cabbage leaves to make little parcels. Then, they put the parcels in a large pot and boil them for several hours. When the parcels are ready, people serve them with rice or potatoes. They often add yoghurt, too. Sometimes people use leaves from different plants to wrap the meat and rice. One popular recipe uses vine leaves. People in different countries like to add different things to the recipe. Sometimes people use vegetables instead of meat, or serve the parcels in a tasty tomato sauce. The dish is often different, but always delicious.

Ceviche

Ceviche is one of Peru's national dishes. It is raw fish (or cooked shellfish) in citrus juice. Citrus fruits include lemons, limes, grapefruits and oranges. People usually use lemons or limes to make *ceviche*. They put pieces of fish in the lime or lemon juice with sliced onion, garlic and hot peppers. You can use lots of different kinds of fish. One traditional recipe for *ceviche* uses shark meat. The citrus juice 'cooks' the fish without heat. When the fish is in the citrus juice, you can see it turn from pink to white. When the fish is white, the dish is ready. *Ceviche* is very quick and easy to make. It is ready in just a few minutes. People in Peru usually serve *ceviche* with corn, potato or seaweed. It is also popular in other countries in Latin America, such as Ecuador, Chile, Mexico and Cuba.

4 Talk with your friend.

- 1 Where do people eat *sarma* / *mahshi*?
- 2 What are the ingredients in *ceviche*?
- 3 What lesson does the story teach us?
- 4 Have you ever cooked a dish? What?
- 5 What's your favourite dish? What are the ingredients?

The Vikings came to England 1,000 years ago. Viking houses were very small. There was only one room in some houses. There was a fire in the middle of the room for cooking and heating.

In the north of England there is a city called York. The Viking name for York was Jorvik. You can learn about life in Viking York at the Jorvik Viking Centre.

1 Look at the picture. What are the animals doing?

Toad loved motor cars, but he was a terrible driver. The stables at Toad Hall were full of broken motor cars. Toad's friends were worried about him. "He spends too much money on cars," said Rat. "He's been in hospital three times," said Mole. "It's time to teach him a lesson, said Badger.

The three animals went to Toad Hall. There was a shiny new motor car outside the house. Toad was getting ready for a drive. "You're just in time!" he said. Then he saw how serious his friends looked and he felt very worried. "Take him into the house," said Badger.

Toad shouted and kicked, but Rat and Mole carried him inside. "You have been very foolish, Toad," said Badger. "It's time we talked about motor cars." Badger took Toad into the library and closed the door. After a long time, the door opened again and a very sorry Toad appeared.

"Toad knows that he has been very foolish," said Badger. "He has promised never to drive a motor car again." "Oh, Toad," said Mole, happily. "Is that true?" Toad tried to look sad and serious, but he could not do it. "No!" he shouted. "I love motor cars! I only said I was sorry because I wanted you to let me out of the library!"

Badger was very angry. "Then we have no choice," he said. "We must take away your car keys. Now, I want you to go to your bedroom until you are sorry. When you promise to forget about motor cars, you can come out again." Toad went to his bedroom. He wasn't happy, but he didn't want to argue with Badger.

"Do you think Toad really will forget about motor cars?" asked Mole. "Maybe," said Rat. "But it will take a very long time." "I think you're right," said Badger. "But we are Toad's friends. We will wait."

3 Look at the picture. What is unusual about this vehicle?

M-400 Skycar

Is this the car of the future? The developers of the M-400 Skycar certainly hope so.

The M-400 Skycar is a flying car, but you don't need to be a pilot to fly it.

It is easy to drive, because the controls are like the controls in a car. The car also has a computer to help the driver.

The driver can tell the computer what direction they want to fly in and how fast they want to go and then the computer controls the car.

The car can hold four people, but there are plans for a single-seat and a six-seat version of the vehicle. The car is small enough to keep in a garage and will use the same amount of fuel as a large car. The car makes a lot of noise when it takes off, but the noise doesn't last for long, because the car climbs into the air very quickly. The car can fly at very high speeds and it can also move on the ground for short distances. At the moment, the car is very expensive. It costs about \$1 million, but the developers are planning to use cheaper engines to make the car easier to afford. They want the car to be the same price as a normal large, comfortable car. But the best news is that the car uses ethanol and water instead of petrol, so it doesn't pollute the air. The developers expect the Skycar to be ready in 2012.

Five thousand years ago, there was no paper. People used clay tablets to write on. They used a reed to write on the wet clay. Then they waited for the clay to dry. The tablets were very heavy. They were easy to break. People used each tablet only one time.

The Ancient Egyptians wanted to make paper to write on. Three thousand years ago, there were lots of papyrus plants in Egypt. The Ancient Egyptians used papyrus to make a kind of paper. It was difficult to make, but it was soft and light and easy to write on.

People in other countries started to use papyrus, too. But papyrus was very expensive. Only rich people used it. Sometimes people used the papyrus, then washed it and used it again.

No, we didn't, but we fished every day and we learned how to make a bridge over the river, too. We used rope and wood.

We cooked food in frying pans on a fire. Sometimes we cooked the fish from the river! One day it rained and our matches were wet. So we started a fire with two sticks!

1 Look at the picture. How do you think the people feel?

Anne felt nervous as she entered the classroom. Just last year, she was a student and now she was a teacher. It was strange to be on the other side of the teacher's desk.

The children were ready for lessons to begin. Anne had a speech to give the children about helping and learning, but now she could not remember one word of it.

"Please take your books out," she said. While the children opened their desks and took out their books, Anne looked at them all. Most of the children looked cheerful, but a few seemed unfriendly.

The day passed quickly. Later, Anne couldn't remember it very well. It was like a dream. She listened to the children read, she helped them with sums and she set them exercises. Only two of the children were naughty. The first was Morley Andrews. He took out his two pet grasshoppers during the lesson. The second was Anthony Pye. He poured a few drops of water down Aurelia Clay's neck. Anne made Morley stand at the front of the class for an hour and she kept Anthony in at break to talk to him about good manners.

At the end of the day, the children left and Anne packed up her things. She felt tired and a little bit sad. She didn't know if she liked teaching after all. She locked the school door and started to walk home. At the bottom of the hill she met one of the boys from her class. He gave her a small bunch of wild flowers.

"I came back to give you these," he said. "I thought you might like them. And I like you, teacher." Anne took the flowers and smiled. "Thank you," she said. "They're beautiful." Suddenly Anne didn't feel tired at all. She was happy and hopeful.

2 Read again and match the sentence halves.

1 Anne was nervous because

2 Anne made a boy stand at the front because

3 Anne was a little bit sad because

a he took out his pet grasshoppers during the lesson.

b it was her first day as a teacher.

c she didn't know if she liked teaching.

3 Look at the pictures. What school event do the pictures show?

Sports day

My name's Emma and I'm from Britain. My favourite day in the school year is Sports Day. Sports Day in Britain is lots of fun. Schools usually have Sports Day in the summer, near the end of the school year, because the weather is warm and sunny then. Children run races and try to win prizes or trophies. There is often a skipping race, a sack race (children stand in a sack and jump along the race track), or a three-legged race (children run in pairs, with the left leg of one runner strapped to the right leg of the other runner). Children's parents come to watch Sports Day. Sometimes there are races for mums and dads, too. Everyone has a great time.

Hi. I'm Takumi. I love Sports Day, too. In Japan, we have Sports Day in the autumn or spring, because the weather is cooler then. It's too hot to run races in the summer in Japan. We don't have any lessons for a week before Sports Day. We practise our races and events on the school field every day. The teachers always make sure that we drink lots of water, because we get hot from all the exercise. There is a big rehearsal on the day before Sports Day, to make sure that everything will go well on the actual day. We usually have Sports Day on a Sunday. The school band plays music and we all run races and take part in competitions. It's a wonderful day and we all enjoy it.

4 Read and answer the questions.

- 1 Why do Japanese schools have Sports Days in autumn?
- 2 Why do British schools have Sports Days in summer?
- 3 What do Japanese children do the week before the Sports Day?
- 4 Do you have Sports Day at your school?
- 5 Who is your favourite teacher? Why?

1 Look at the picture. What are the boys doing?

Tom Canty was a boy from a very poor family. His clothes were old and dirty and he never had enough food. However, Tom believed that he could have a better life one day. He was clever and he knew how to read and write. He wanted to get a good job and earn enough money to have a house, clothes and good food.

One day, Tom was outside the palace gates when he saw Prince Edward. Tom stood and watched the Prince for a while. The guards tried to send Tom away, but the Prince stopped them. The two boys were very surprised when they saw each other. They had very different lives, but they looked just the same. They had the same eyes, the same hair and the same faces. The only thing that was different was their clothes. Prince Edward invited Tom into the palace and the two boys talked about their lives. Edward had lots of money, fine clothes, jewels and plenty of food, but he had to stay in the palace and be quiet and good all the time. Tom had nothing, but he could play in the street with other boys and meet lots of interesting people.

“I want to be like you,” Tom said to Edward. “You are rich and you can have everything you want.” “I want to be like you,” Edward said to Tom. “You are free and you can do everything you want.” “Well, you look just like me, and we are the same age,” said Edward. “Let’s swap clothes. You can stay here and I can live with your family for a while.” Tom thought this was a wonderful idea. The two boys swapped clothes and looked at each other.

“We are like twins,” Tom laughed. Before Edward left the palace, he hid a wax disc in a suit of armour. Then he left the palace quickly, before the guards found the two boys together. Soon Edward was with Tom’s family, but it was not much fun. Tom’s father was unkind. He was often angry and he shouted at Edward all the time. Edward wanted to leave. He ran away and met a soldier called Miles Hendon.

He was a kind man and he looked after Edward. They had lots of adventures together. Edward didn't really like life outside the palace. He saw that life was very difficult for poor people. He decided to be a good king and help the people of England.

Meanwhile, Tom was pretending to be the Prince. It wasn't easy. He didn't know how to act, or what to say to people. At first, people thought the Prince was ill, because he seemed so different. But Tom was a clever boy and he learned quickly. He had lots of good ideas and he was good at making important decisions. Soon everyone was sure that the Prince was well again.

Sadly, the King died while Edward was away. Prince Edward was now the King of England. Tom was very worried. He didn't want to be King. Luckily, Edward heard the news and came back to the palace. He arrived just in time. Tom was about to become the King of England. Edward and Tom tried to tell people the truth.

"I'm not Prince Edward," said Tom. "I'm Tom Canty."

"I'm the real Prince," said Edward. "We're sorry we lied. It was only a game."

Edward looked poor and dirty and people didn't believe that he was the real Prince. But Edward took the wax disc from the suit of armour and showed it to everyone. The wax disc was the Great Seal of England. Only the true King of England has the Great Seal. So Edward became King, but he remembered his adventures and the lessons he learned when he was with Miles. He was a good king and he helped the people of England. He made sure that life was better for poor people and Tom became a very important man. He was never poor or hungry again.
